**PASSING OF NON-EXECUTIVE DIRECTOR**

**ANNOUNCEMENT**

**20 SEPTEMBER 2019**

Australian Agricultural Projects Ltd (AAP) advises with great sadness and regret the sudden and unexpected passing of Non-Executive Director Phillip Grimsey.

Phillip was a highly respected member of the AAP Board, having served the Company as a Non-Executive Director since his appointment in September 2007.

Managing Director Paul Challis said:

“We are deeply saddened to lose Phil. He made a significant contribution to the Company’s development and championed the project structure which is at the core of the Company’s operations. His persistent focus on the long-term benefits for investors in the Company and the projects we manage ensured the ongoing operation of the business through a period which had brought many challenges. We all valued his approach to business.”

The team at AAP extend their sincere condolences to Phil’s family at this difficult time.
